SFN MEMBERSHIP

WE COLLECT, WE STORE, WE SHIP, DOOR TO DOOR

Specialist Freight Networks (SFN) is an international association of independent forwarders.

Advancelog have passed strict entry procedures and have been awarded SFN Membership. This means that they are connected to many offices worldwide, each of which has extensive knowledge of their local market. Belonging to SFN provides **Advancelog** with the expertise necessary to meet the demanding requirements of the world's top importers and exporters.

The staff at **Advancelog** devote their time to ensuring that you receive personal attention and a promise to meet all deadlines. They have the infrastructure in place to deal with all your requirements quickly, efficiently and professionally.

Being connected to a worldwide Network means that just one call is all that is needed to move cargo from any point in the world by air or sea - you can leave the rest to **Advancelog** and their strong network of SFN Members.

FLEXIBLE TRANSPORT SOLUTIONS

By working in close co-operation with their fellow SFN Members, **Advancelog** provide first class local service on a truly international scale.

Each of the SFN overseas offices is managed by privately owned companies, so they can focus 100% on adapting and adjusting to specific requests, unlike many multinational transport companies which are restricted by rigid policies and procedures.

Advancelog and their fellow SFN Members have created a strong partnership in order to provide not only unrivalled personal service, but at a very competitive price.

AIR FREIGHT

With the world's major commercial airlines, cargo carriers and charters at their disposal, **Advancelog** provide a global infrastructure that links with every major trade route worldwide.

SEA FREIGHT

As independent freight forwarders, **Advancelog** negotiates with shipping companies to obtain the best rates and options for moving FCL (Full Container Load) and LCL (Less than Container Load) shipments around the world.

GROUPAGE SERVICES

Over the years, **Advancelog** have established a track record for the safe, reliable and cost-effective delivery of freight. Based on flexible customer service, they can offer you the benefits of a package tailored to your individual needs and timescales.

WHY USE ADVANCELOG?

S.H.I.P.

= SPEED, HANDLING, INFORMATION AND PURCHASING POWER

SPEED

Advancelog has a staff of dedicated professionals that make sure of the accurate and timely submission of your official documentation.

HANDLING

Advancelog understand that part of their responsibility is to fully support you through all procedures. If a problem does arise, **Advancelog** can draw upon their established relations with carriers in order to obtain a favorable resolution.

INFORMATION

Due to the changing times, many countries have adopted more comprehensive procedures with regards to regulating commodities that are accepted at their ports, including how they must be packaged and what sort of documentation must accompany them. **Advancelog** ensures that you are kept up to date with requirements and procedures in order to avoid timely and potentially costly mistakes.

PURCHASING POWER

Advancelog understands that cost is an important factor for you. Due to established relations with carriers, **Advancelog** are able to offer exceptionally competitive rates to many destinations across the globe.
